To Mr. Bailey, Proprietor of Bailey's Extract of Sarsaparilla.

I do hereby certify that during the past year I have been severely afflicted with a disease, which made its first appearance in screes in my mooth, afferwards spreading over my lace, hands, arms, shoulders and legs, forming an entire coals. I received the attention of physicisms, and used a great variety of remedies without receiving any visible benefits. My situation, already truly distressing became worse and worse. Being very poor, and my husband being out of emply sment, I was under the accessity of applying to the Feinale Samadinant Society of Broklyn for assistance, and through their kind aid and advice of a physicism, IDr. Moriaty,) was enabled to obtain a supply of Baikly's Sarsaparilla. After using three hottles. I found myself entirely recovered. The sores have dispreaded, and I now have the happiness of lenjoying and health and feel that I am perfectly curved—at That Bailey's Sarsaparilla restored me, I am certain, inasmuch as I used in other remedy from the time I commenced taking it. I felt that I could not do a better service to the public than this publicly stating my case and recommending Bailey's Sarsaparilla to all that are in any way affected as I was. It is now two months since I got well, and my health was never better in my life than how.
